The Viking

PRESENTED BY THE

SENIORS

OF

GIBRALTAR HIGH SCHOOL

1950

Fish Creek, Wis.

Dedication

"Those whom we love go out of sight
But never out of mind;
They are cherished in the hearts
Of those they leave behind.
Loving and kind in all his ways,
Upright and just to the end of his days;
Sincere and true in heart and mind,
Beautiful memories he left behind."

RUSSELL FLAESCHEL

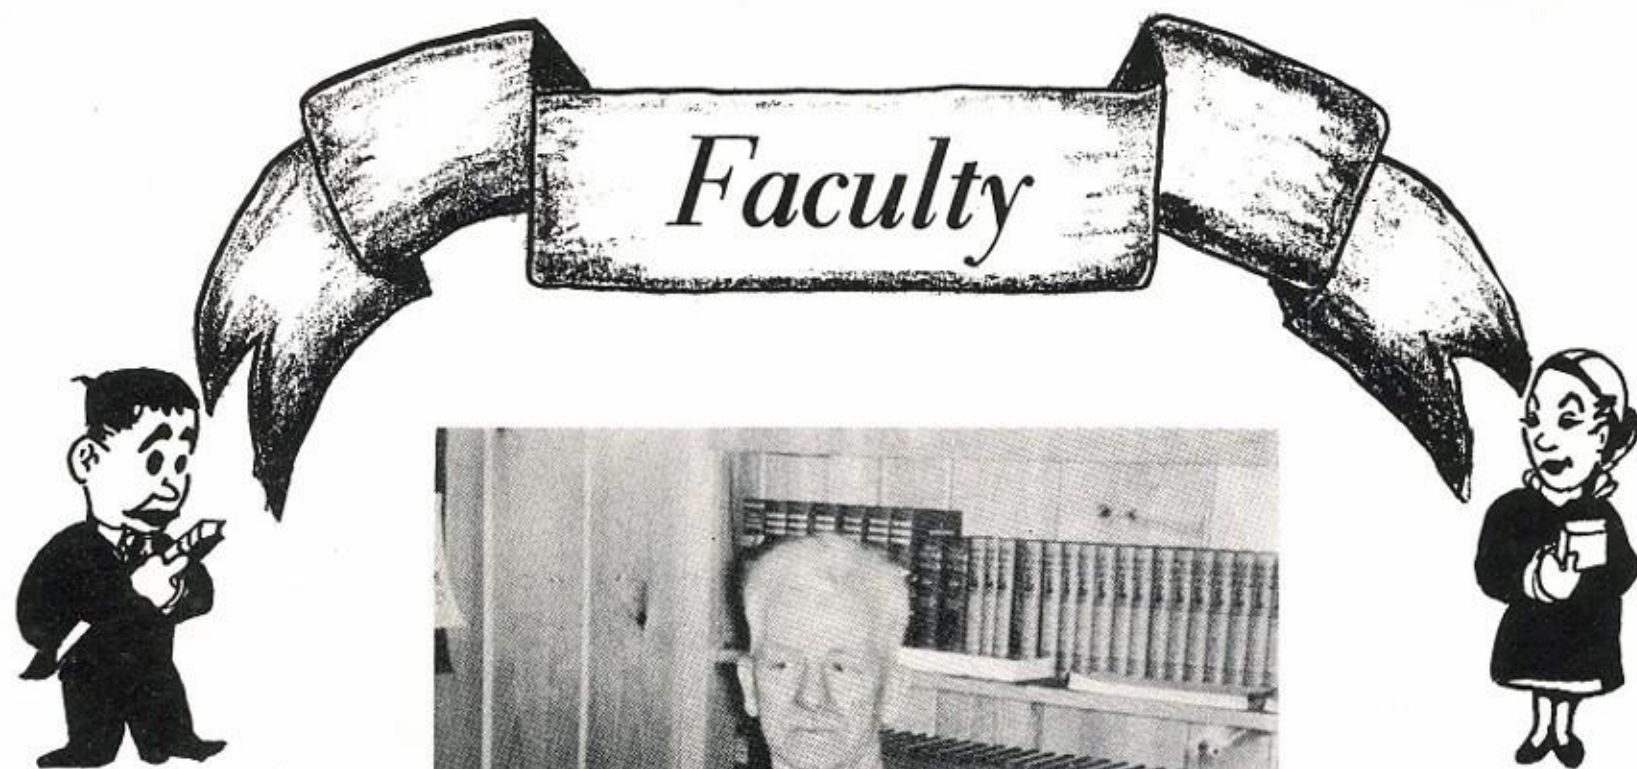

We dedicate this 1950 edition of "The Viking" to Russell Flaeschel, graduate of Gibraltar High School with the Class of '47, who died May 29, 1949. Yet, his memory will always live in the hearts of

His Classmates--Who chose him for their Sophomore Class President and Junior Prom King because of his congenial, friendly leadership.

His Teammates-- With whom he played four years of baseball, football, and basketball. They'll remember him as one who showed good sportsmanship and teamwork.

His Teachers-- Who worked with him for four years. He'll be remembered as a good student, dependable and co-operative.

All Who Knew Him-- He'll remain a friend among friends.

Class History

SHIP'S LOG

In September of 1946 our ship, the G.H.S. Viking launched on its four year voyage. Our first captain, Joyce Giesseman, guided us out of the harbor into the adventurous sea. One day after two months of our journey, we were washed up on the rock by the Sophomores. However, we survived and finished the remainder of the year successfully.

After spending three months repairing the ship and gathering supplies, we again embarked. Due to circumstances beyond our control, we hired a new captain, Clayton Moegenburg. The sea was calm until the new freshmen were caught in an undertow caused by our ship. Good sailing prevailed for the remainder of the trip, and in May we again returned for provisions and repairs.

In September of '48, we again set sail having purchased a new ship with an upperdeck and hired a new captain, Elaine Schultz. This year our course was mapped to reach "Neptune's Kingdom", and upon reaching it, we had a formal dance with Davy Jones (Brault's Canadians) providing the music. About the same time we all bought rings as reminders of our eventful journey and our good times aboard ship. Another journey is about to end and our ship returns with the crew eager and anxious for time out.

As the last lap of our journey begins, we as senior crewmen navigated the ship. The weather chart for this year shows us that we are in for many trying times, but with our able captain, Orville Shine, and our helpful superior commanders (teachers) we are confident of a successful journey. This being our last journey, we are out for a good time, so under the direction of Commander G. Williams, the play, "Tish" was presented and was very successful. Our journey continued as scheduled and as we neared the pier, everyone gathered for one last banquet in the mess hall, and after chow was over, we were entertained. The day of docking was here and as we ran down the gangplank, our Commander-in-Chief presented us with our honorable discharge papers (Diplomas). With a last look at the ship, we realize that we have taken our last trip on this ship, but before us lies the boat "FUTURE" and so regretfully, we leave this ship in the trusting hands of our under-crewmen.

SMOOTH SAILING!

Gibraltar won their way through the Sturgeon Bay District Tournament by downing Sturgeon Bay in the opener 5 to 2 and slipping by the old rival Sevastopol in the finals 4 to 2. Schram was the winner in the first, and Moegenburg set Sevastopol down with 4 hits to win the championship game.

The Vikings were then assigned to the Kimberly Regional Tournament and received Brillion in the first round with Kimberly and East DePere meeting in the other opener. Moegenburg had to be called in to relieve Schram early in the game and was credited the winner, when Orville Shine smashed a homer to the center field fence with two on to win 5 to 4. Kimberly ran over East DePere 11 to 6 to advance to the finals. The championship game, played under the lights, was a tight battle until the fourth frame when the double duty began to tell on Moegenburg and the Paper Makers ran up 5 runs in one inning and smashed in 6 more in the final frame to win easily 14 to 3. Schram was top batter for Gibraltar getting 3 for 4.

Moegenburg was top hitter with 18 for 37 trips for .486, followed by Kaczmarek .393, and Schram's .382. In fielding, Orsted led with a percentage of .984 followed by Moegenburg with .970, LeMere .932, and Strege .929. In the pitching department, Moegenburg won 7 and lost 1, Schram won 2 and lost 0, and Goss and Strege each won 1 and lost 0.
